

After School Sport – Code of Conduct

Over recent years we have developed a good reputation with conduct of players, spectators and officials and we are asking for your continued support in this matter.

All parents are encouraged to spend time reading and discussing these guidelines with their children. This will help to continue to ensure our school provides positive sporting experiences for all students. Sport in our school is an important part of a full and balanced education for our students. Whilst it is important students develop their skill level throughout the year, the primary objective of our sporting program is that the children experience a fun, enjoyable and fair amount of playing time throughout the semester.
